## TOM News Bites

### Wednesday 23<sup>rd</sup> March – TOM Initiatives Update (March)

TOM is providing brief monthly update on progress of each of the prioritised initiatives – CSRP, PPL, Delegated Authorities and Data (Data Integration and Structured Data Capture) Click here to access the March update [Initiatives update \(March 2016\)](#)

---

### Tuesday 22<sup>nd</sup> March – CSRP Update

The Central Services Refresh Programme (CSRP) is launching with a planned initial release in April 2016, when it is anticipated that the first broker premiums submissions into Central Services will be made using ACORD EBOT messaging. This is the first release as part of the work to deliver a new channel for the accounting submissions for premiums and claims into Central Services (the 'bureau') based on global messaging standards. Read the update here [Market Update Feb 2016](#)

---

### Monday 21<sup>st</sup> March – TOM is Hiring!

The London Market needs you! The TOM programme must be driven and owned by the London Market and the best way to do this is to ensure London Market people are running it. Five more roles have become available in the TOM programme, the **deadline for applications is the 25<sup>th</sup> March** click the following links to apply [TOM Senior Stakeholder Manager, Global Operations](#) // [TOM Programme Risk Manager](#) // [TOM, Sourcing Manager](#) // [Messaging Standards Analyst - Contract](#) // [TOM Data Governance Analyst - Contract](#)

---
